- Encourage participation in social, creative, and physical activities (e.g. swimming, cycling, fundraising events)
- Assist with personal care, including eating, drinking, and toileting where required
- Work closely with colleagues, therapists, and volunteers to deliver high-quality sessions
- Maintain a safe, inclusive, and stimulating environment
- Keep accurate records of attendance, progress, and incidents
- Support safeguarding, health & safety, and equality standards at all times
- Contribute to a positive team culture and assist with fundraising initiatives

Essential skills and experience:

- Empathy, patience, and strong interpersonal skills
- A person-centred approach to supporting individuals
- Good communication and organisational skills
- A commitment to safeguarding, inclusion, and equality

Desirable skills and experience:

- NVQ Level 3 in Care (or equivalent)
- Experience in health, social care, or rehabilitation
- Knowledge of acquired brain injury
- Basic IT skills for record-keeping
- Full driving licence
